Greetings and welcome from your Superintendent! We are extremely excited that you will be part of the South Sioux City School District for the 2019-20 school year! We promise to do our best to make sure everyone feels they are part of our Cardinal family! My personal family is also proud to call South Sioux City home and my children are benefactors of the same dynamic education that we are all fortunate to be part of in the South Sioux City Community Schools!

I am confident you will love the great people who live and work in our schools and community. We take pride in establishing high expectations for all our staff and students in a collaborative approach. Our staff is organized into professional learning communities or PLCs. Each Monday, we dismiss students early so that these PLC groups can meet. We believe all students can achieve at high levels. We establish what students are expected to learn in priority standards and focus our attention on individualized learning using results from assessments to know each student and help him or her master skill by skill. Many opportunities are provided for intervention and enrichment to support our guaranteed and viable curriculum that provides essential knowledge and skills to all students regardless of which of our dynamic teachers they are assigned.

South Sioux City Schools also has many extracurricular activities available for students outside the regular school day. We highly encourage our students to get involved in activities. Extracurricular activities allow kids to explore talents, make friends and develop skills that enhance their educational experience. Activity fairs and events are held throughout the district and many of the activities are highlighted on our district website. Please contact your individual school office for activities available. Students of all ages are encouraged to attend school events and cheer on their peers in a fun, supervised setting throughout Cardinal Nation!

We are proud of our current parent, business, college and workforce partnerships in the Siouxland area! We continue to work with all stakeholders in developing our college and career curriculum to ensure that our students are prepared for the post-secondary life of their choosing. Our high school curriculum contains several career pathways, some with internships and college credit options, that are linked to the personal learning plans developed by an interactive student, parent, counselor and teacher relationship. These personal learning plans begin at the middle school level. Parents are encouraged to be active partners in their son or daughter’s curriculum choices. Parents are also able to access and/or receive updates in the student gradebook online through the PowerSchool software in our district. Parent involvement is highly encouraged and necessary if students are to reach their maximum potential and have the best possible school experience. Please know our school board, administrators, teachers and all of our district employees are passionate about serving students and look forward to a tremendous year!

Go Cards!

HAVE YOU HAD A CHANGE OF ADDRESS?  
Please notify the office of your child’s school to update mailing lists. Two proofs of address are required.  
For a boundary map, please visit www.ssccardinals.org or call our Welcome Center at 402-412-2824.

BIRTH CERTIFICATE  
Nebraska state law requires that the school has a copy of the certified birth certificate of each student enrolled in our school system. When we receive your child’s records, we will be contacting you if there is not a copy of his/her birth certificate on file. Please send us a copy of the birth certificate, or bring us the original, and we will make a copy for our records.
ABOUT US
• The South Sioux City School District has six neighborhood elementary schools.
• Every building and grade provides the same curriculum and learning goals. Grade level teams use the Nebraska State Standards to prioritize student learning.
• Grade level teams collaborate on a regular basis to discuss student growth and progress on learning goals.
• Teams of teachers meet in Professional Learning Communities (PLCs) within their building and within their full grade levels to plan for student interventions and extended learning.
• We work to embed the use of technology throughout our day. Each elementary building has multiple laptop computer carts that students access during the day to support their classroom instruction to include teacher integration of technology through his/her classroom teaching.

COMMUNICATION
• Follow us on Facebook & Twitter.
• See your child’s Thursday folder for school news and information.
• Visit our webpage to find full staff lists, contact information, and more!
• Please call or contact us with questions as we partner together in your child’s education.

CURRICULUM
Elementary students receive daily instruction in English Language Arts, Math, Science, and Social Studies. Throughout the English Language Arts block, students learn and apply literacy skills during Interactive Read Alouds, Shared Reading, Writing, and Guided Reading. Guided Reading occurs daily, and students are placed in flexible groups to focus on comprehension and fluency. Each building is fortunate to have reading specialists who push into each classroom during guided reading, to provide reading support for all students. Teachers have prioritized the Nebraska State Standards in order to make sure all students, in each of our buildings, are receiving the same instruction.

In addition to the core curriculum, students also have daily specials classes. Elementary specials include art, music, PE, guidance, library, and technology. Each building has support from our amazing school counselors. In addition to teaching guidance class, our counselors are available to work with students in friendship groups, social learning, and more.

WIN TIME/INTERVENTION
WIN Time – “What I Need” Time
• Regularly scheduled throughout the week by each grade level team.
• Students are grouped based on their level of understanding on specific grade level content. During this time, students may receive reteaching or enrichment.

ELEMENTARY SCHOOL HOURS
Staff 7:45 a.m. – 3:45 p.m.
Students 8:00 a.m. – 3:05 p.m.
Mondays 8:00 a.m. – 2:05 p.m.

No child should be on the school grounds or in the building before 7:30 a.m. as there will be no adult supervision until this time. Please do not drop your child off before 7:30 a.m. Children need to be picked up no later than 5 minutes after the dismissal bell.

SCHOOL SECURITY SYSTEM
ALL EXTERIOR DOORS ARE locked during the school day. Any parents or visitors to the school will need to press the doorbell/camera button located at the MAIN ENTRANCE in order to gain access to the school. The office staff can verify a person’s identity before allowing entrance to the building. All visitors must check into the office first.

NEBRASKA READING IMPROVEMENT ACT - INFORMATION FOR PARENTS
Nebraska’s Reading Improvement Act, enacted in 2018, goes into effect in the 2019-2020 school year. This legislation requires NE public schools to screen all students in kindergarten through third grade, identify those who may have difficulties in reading, implement interventions and monitor progress. Key components include:
• All K-3 students must be assessed 3 times per year with an assessment approved by the NE Dept of Education. Measures of Academic Progress (MAP), already used in SSC Schools, is an approved assessment.
• Parent Engagement: Parents of K-3 grade students are kept informed of their child’s reading progress and notified in writing within 15 days, should their child be identified as having a reading difficulty. Supplemental reading intervention programs will be provided during regular school hours in addition to regularly scheduled reading instruction for identified students.
• Individual Reading Improvement Plans, created in collaboration with parents, will be provided to identified students within 30 days, describing intervention services the student will receive through the supplemental reading intervention program.
• Summer reading programs will be available for students in grade 1-3 identified as continuing to have a reading difficulty. These may be school-based, community based, or offered online.

**PRESCHOOL PROGRAMS**

The South Sioux City Community School District offers a free preschool program for four year olds who reside within our school district. This program is located at E.N. Swett Early Childhood Center. To learn more about our preschool program, please contact E.N. Swett Early Childhood Center at 402-494-3501.

**EARLY CHILDHOOD PROGRAMS**

South Sioux City Community Schools provides services for eligible children birth to age five. If a parent has concerns about his/her child’s development (physical, social, communication, cognitive or self-help), please call 402-412-2884 to make a referral.
GREETINGS SSC MIDDLE SCHOOL STUDENTS AND FAMILIES!

My name is Mr. Coviello (cove e yellow) and I am excited to take over as the new Middle School Principal. This year will be my 26th year as an educator and my 20th as a school administrator. For the last six years, I have been the Assistant Principal at Lexington High School in Lexington, Nebraska and before that, I was a Principal in North Platte for seven years.

I can’t wait to meet as many of you as possible at our Registration Event on August 5th from 10:00 a.m. - 6:00 p.m.! For those I don’t get to meet, my door is always open for students, parents, and staff so please stop in at school and say hello!

Important news for 7th and 8th students! All 7th and 8th grade students and parents who come to the registration event and pay $25 for insurance and sign the waiver for their new Chromebooks, will receive a brand new backpack for their Chromebooks!!

Enjoy the rest of your summer and I will see you soon!!

Mr. C

ABOUT MIDDLE SCHOOL

South Sioux City Middle School has approximately 850 students from sixth to eighth grade. Our schedule is uniquely designed to meet our students’ needs. We have 90-minute block classes in math and reading/language arts. Science, social studies, and exploratories run 45 minutes apiece. Each day, all of our students are engaged in two exploratory class periods and have a 30 minute WIN time to get the help they need.

ACHIEVEMENT CENTER

The goal of our Achievement Center (AC) is to ensure academic success by offering uniquely designed levels of supports which encourage all students to increase personal growth and attain higher levels of academic achievement. The AC is located in the Middle School Library for any student. The hours are: 7:15 a.m.-4:00 p.m. Monday-Thursday and 7:15 a.m.-3:25 p.m. Fridays. The AC is available to assist all students with homework and to provide opportunities for additional academic supports.

WIN (What I Need)

WIN Time is an opportunity for students to get the additional support they need from teachers during the school day. It occurs Tuesday through Friday from 1:23 p.m. - 1:51 p.m. During this time, students have the choice to see the teacher they need to see and redo assessments, sit in the auditorium to read a book, or come to the commons and work on homework. This is also a time for enrichment. Due to the different student groupings, this is a difficult time to know exactly where your child is, so if you are making doctors’ appointments, or need to take your student out of school, it would benefit all parties to pick him/her up before or after this time.

GRADING

We have implemented Standards-Referenced Grading. Standards are written descriptions of what students are expected to know and be able to do in each content area and grade level. ‘Standards Referenced’ refers to using learning standards to guide what we teach and what we assess. Standards-Referenced Grading (SRG) is the practice of grading students’ work based on their performance according to those learning standards. SRG shows student progress toward proficiency on key skills within a subject area.

7th AND 8th GRADE CHROMEBOOKS (LAPTOPS)

New for 2019 – Chromebooks and backpacks will be provided for students in 7th and 8th grade to take home.

Please bring $25 for Chromebook insurance to the registration event on August 5th and pick up your backpack.

7th & 8th grade Chromebooks will be distributed after school starts.

6th grade will not receive a backpack or Chromebook. They will continue to use Chromebooks that stay (in carts) in the classroom.

---

### SCHOOL HEALTH & HEARING SCREENING
Children in all grades are screened for vision, hearing, dental defects, height and weight. Parents are notified of any health concerns as they are identified. Parents who do not wish their child to participate in the school screening program must communicate this in writing to the school health office where their child attends at the start of the school year.

Because Nebraska statutes require school-age screening, parents who remove their child from the screening program must submit findings from an alternate medical provider to the school by December 1.

### UNIVERSAL SCREENING
The District may conduct various screenings (such as universal screening) throughout the year to identify students with academic and/or behavioral issues. The District will communicate with parents of students who are identified by the screening process. Any parent who does not consent to the screening of his/her student must notify the Director of Student Services at the beginning of the school year.

### STATE ASSESSMENT
The District is required to administer the Nebraska Student-Centered Assessment System (NSCAS), a state-wide assessment. More information about NSCAS can be found through the Nebraska Department of Education. If a parent does not consent to his/her student taking the NSCAS assessment, the parent must notify his/her building principal at the beginning of the school year.
ABOUT US

ATTENDANCE
One of the keys to student success is being in the classroom each and every day. If students are not in attendance they miss out on valuable instruction. When a student must be absent, please contact the school by 9:30 a.m.

SAFETY
School safety continues to be a priority for South Sioux City High School. We practice numerous drills throughout the year to ensure that we have safe routines in place in the case of an emergency. All exterior doors at the High School are locked. Please report to Door #12 on the east side of the building to gain entrance.

GRADING
South Sioux City High School has embarked on the process of implementing Standards-Referenced Grading. Standards are written descriptions of what students are expected to know and be able to do at each level of their education, year by year, or course by course. ‘Standards Referenced’ refers to using learning standards to guide what we teach and what we assess. Standards-Referenced Grading (SRG) is the practice of grading students’ work based on their performance according to those learning standards. Standards-referenced grades show student progress toward proficiency on domains of key skills within a subject area.

CLASS STATUS DESIGNATION
South Sioux City Community Schools is committed to recognizing the academic success of its students. Students entering the High School as freshmen during the 2019-2020 school year will be the student cohort group to take part in an exciting endeavor that honors students academic achievement throughout their high school careers. Beginning with the class of 2021, a Laude Recognition Model will be used to honor academic excellence. Our research found that colleges and universities are adapting to more and more schools not having class rank by taking a closer, more comprehensive look at the overall student. For those institutions who still utilize rank, they have systems to holistically evaluate students based upon criteria such as rigor of curriculum, test scores, recommendations, activities, personal essays, and other qualifying indicators.

The Laude Recognition Model honors students based upon their Grade Point Average. Students have the ability to receive three status designations:
- Cum Laude (with honor) 3.75-3.99
- Magna Cum Laude (with great honor) 4.0-4.24
- Summa Cum Laude (with highest honor) 4.25 and above

We believe in high achievement for all students. Within the Laude Recognition Model, you will find students focused on the educational value of their class selection rather than choosing classes based upon potential increase in class rank. This system promotes students to pursue course work that better fits their passions and career goals. It rewards them for achievement against an established standard as opposed to having students compete against each other.
South Sioux City Community School District is proud to offer a wide range of student activities including but not limited to: robotics, football, Skills USA, dance, gaming clubs, basketball, swimming, choir, band, cheerleading, etc. We have over 30 activities and clubs for students and are always considering new clubs so all students feel connected and involved in school. Our goal is that 100% of high school students are involved in at least one club or activity. Please check our website for a full list of all clubs and activities and to learn more.

To see a full list of all scheduled events and sports please visit: www.rivercitiesconference.org. Schedules are updated throughout the school year.

PARENTS/GUARDIANS
The state of Nebraska has organized athletics in 3 separate seasons: Fall, Winter and Spring, with each of these seasons having a particular start day. Below you will find the list of sports offered at South Sioux High School and when the season begins. The school district will host three parent meetings for students who are going out for an activity and those dates are listed below. In addition, we have a variety of activities and clubs that meet throughout the year.

**Fall Activities begin on August 12 and include:** Football, Boys/Girls Cross Country, Volleyball, Boys Tennis, Girls Golf and Softball.

**Fall Parent Meeting:** Thursday, August 8 at the high school 7:00 p.m - 8:00 p.m. Sport specific meetings to follow.

**Winter Activities begin on November 13 and include:** Boys/Girls Swimming, Boys/Girls Basketball, and Wrestling.

**Winter Parent Meeting:** Wednesday, November 13 at the high school at 6:00 p.m - 7:00 p.m. Sport specific meetings to follow.

**Spring Activities begin on March 2 and include:** Baseball, Boys/Girls Soccer, Boys/Girls Track, Girls Tennis and Boys Golf.

**Spring Parent Meeting:** Wednesday, February 26 at the high school at 6:00 p.m - 7:00 p.m. Sport specific meetings to follow.

*All student athletes must have a sports physical on file AFTER May 1, 2019 to participate.*

Please follow us on Twitter and Facebook for additional information regarding parent meetings and up-to-date schedule changes due to weather and other circumstances. Twitter: @SSCActivities and @SSCcardinalNews.

**Booster Clubs**
South Sioux City Booster Club is an organization that supports our teams. All community members and parents are encouraged to join. Please visit our district website for additional membership information. Meetings are held the first Wednesday of each month. For a complete schedule, please visit our website.

**Gateway to Learning**
The school district also operates an alternative high school, Gateway To Learning. Its mission statement is “to provide an alternative educational setting for at-risk students aimed at removing barriers to student success in order to meet each student’s unique needs.” Gateway to Learning is guided by the following Core Beliefs:

- Every attempt will be made to maintain the dignity and self-respect of both the student and the teacher.
- Students will be guided, and expected to solve their problems, without creating problems for anyone else.
- Students should be given the opportunities to make decisions and live with the consequences, be they good or bad.
- Students should have the opportunity to tell their side of the story (due process hearing) when consequences appear to be unfair.
- Misbehavior will be viewed as an opportunity for individual problem-solving and preparation for the real world as opposed to a personal attack on school and staff.
We look forward to the coming school year at South Sioux City Community Schools as Lunchtime Solutions begins to provide the food service program. The purpose of this communication is to provide you with an overview of the school food service program this year. If you have any questions or comments about our program, please feel free to contact Nicholas Lucart, Area Director at 712-454-9246 or at N.Lucart@lunchtimesolutions.com. For your convenience, our menu is posted monthly on the school website. Lunch prices are listed below, along with extra entrée prices and extra milk prices.

**ONLINE LUNCH AND BREAKFAST MENUS!**

Upon the start of the 2019-2020 school year, your school breakfast and lunch menus will be digital, and enhanced with several great features:

- Immediate translation to any language
- Recipe details and photos
- Immediate nutritional data including carbohydrate and protein counts on every menu item
- Allergens for menu items available online
- Great information about features of your student's program are available on the side on the menu just by clicking the links

**Extra Entrée – Extra Milk**

All Students, at an extra cost, can purchase an additional entrée or milk offered as part of the school lunch program. For example if a student wants a second entrée, or an additional entrée, like a slice of pizza, then that entrée can be selected in the lunch line and charged to the student's account. Extra entrees are only sold to students who first purchase a school lunch. Again, all students can have extra servings of canned fruit, fresh fruit and fresh vegetables at no charge. All extra servings of these items are free. Students who receive free or reduced meals may receive one entrée with their meal but they must have money in their account to purchase any extra entrees.

**School Lunch Account**

Each Student is issued a unique 4-digit PIN, used to access his/her lunch account, just like a debit card. Credit card payments are accepted online via the SSC web page. Cash, Check, or Money Orders should be made out to SSC Schools Food Service.

**Diet Modifications**

Families are responsible for notifying the School Food Service if their child requires a diet modification because of a life threatening disability. A licensed physician must provide specific written medical documentation. Please contact the School Food Service office for more information.

**SCHOOL LUNCH**

School lunch will offer a wide variety of choices for students. All students have three entrée choices daily.

All meals include an entrée choice, a hot vegetable plus the unlimited Fruit & Veggie Bar, and milk choices.

**CHEF ENTRÉE**

Each month, Lunchtime Solutions’ school chef will visit South Sioux City Middle School & High School to prepare a special entrée, giving students an additional healthy, contemporary meal choice. The entrée is available as an à la carte entrée for $2.25. For this meal only, students have the option of purchasing the Fruit & Veggie bar separately for $1.85 and milk for $0.45. The entrée can also be purchased in addition to a regular complete meal. You must have money in your account to purchase the Chef Entrée.

**JOIN US!**

Please feel free to join your child for a meal on any day. The cost for an adult lunch is $3.95. We hope to see you soon!

**INFORMATION ONLINE:**

- Monthly menus
- Health and wellness articles
- Fun recipes
- Locally grown selections

Education Foundation Creates Additional Opportunities for Students

Would you like to support youth in South Sioux City and Dakota City with a tax-deductible gift?

The Cardinal Education Foundation is a tax-exempt organization that accepts gifts on behalf of the 3,800 students attending the SSC Community School District. With the help of generous donors, like you, the Education Foundation can provide many additional learning opportunities benefiting the youth of our community. The Cardinal Education Foundation is known for its scholarships, hosting the SSC High School Honors Banquet and the Honors Convocation held each May at the Delta Marriott. The overall mission and goal of the foundation is to enhance the tax-funded education by creating additional opportunities for students through philanthropic means. As the foundation director, I plan to strengthen the scholarship offerings for SSC High School graduates, fund special projects such as Career Tech, and also create mini classroom grants for teachers. I will be working with the Cardinal Education Foundation to articulate a vision, create and strengthen partnerships and coordinate a strategic plan. For more information about making a donation or scheduling a presentation, please call 402-494-2425. On behalf of the students, I want to thank you for considering a gift.

Lance Swanson, Director of Communications and Foundation

“C It?, Say It!” is a new campaign we’ve started to help avoid school violence and reassure students that our schools are safe places. Students, staff, and parents all have an important role in promoting school safety.

To report suspicious activity, talk to any school official or contact law enforcement. For anonymous reporting please use the Let’s Talk link on the right-hand of the District website.

Describe specifically what you observed, including:

- Who or what you saw;
- When you saw it;
- Where it occurred; and
- Why it’s suspicious.

If there is an emergency, call 9–1–1.
The safety of our students and staff is one of the most important factors to a successful school district. South Sioux City Community Schools is committed to ensuring our schools are safe and our staff is prepared. To enhance this, in 2017 we moved to a Standard Response Protocol (SRP) called "I Love U Guys". We feel this protocol will give us the tools to be even more prepared for weather events, fires, accidents, intruders and other threats to student and staff safety.

The Standard Response Protocol is based not on individual scenarios but on consistent response to any given scenario. SRP demands a specific vocabulary but also allows for great flexibility. The premise is simple - there are four specific actions that can be performed during an incident.

**Lockout** is followed by the Directive: “Secure the Perimeter” and is the protocol used to safeguard students and staff within a building.

**Lockdown** is followed by “Locks, Lights, Out of Sight” and is the protocol used to secure individual rooms and keep students quiet and in place.

**Evacuate** is always followed by a location, and is used to move students and staff from one location to a different location in or out of the building.

**Shelter** is always followed by a type and a method and is the protocol for group and self protection.

**Hold** is a “hold” in the classrooms. Students and teachers are directed to stay in their rooms and clear the hallways. This is typically used for medical emergencies.

In addition to our Protocols, we have several Specialty Teams in the District to further tighten our response systems. With all working in collaboration, we feel more prepared to handle incidents that may occur during the course of the year. The following teams are in place and have been trained:

**Safety & Security Team:** A team that includes representatives from all building safety teams and meets quarterly. This team is committed to and responsible for assessing any safety risks that could affect the schools, staff, and students. This group is responsible for safety and security planning, prevention, and disaster preparedness and response.

**Parent Reunification Team:** If a school would ever be forced to dismiss students from an alternate location, this team would coordinate efforts at the designated Parent Reunification Site. This District team responds to such an event and coordinates the dismissal procedures and to reunite students with their parents.

**District Communication Team:** Coordinating all communication efforts to our parents, staff, students and the community. This includes local media outlets, district website, twitter, facebook, email, phone, etc.

**District Crisis Team:** Led by our School Counselors, this team assembles any time there is a critical incident. This team is trained to provide trauma mitigation and education in the aftermath of a critical incident.

**District Threat Assessment Team:** A group of trained officials that convenes to identify, evaluate, and address threats or potential threats to school security. Our Threat Assessment team reviews incidents of threatening behavior by students (current and former), parents, school employees, or other individuals.

CAREER ACADEMY

CAREER EDUCATION CLASSES FOR HIGH SCHOOL STUDENTS

The South Sioux City School District is committed to all of our students graduating college and career ready. We define college and career readiness as being prepared to successfully complete credit-bearing college coursework or industry certification without remediation, having the academic skills and self-motivation necessary to persist and progress in postsecondary education, and having identified career goals and the necessary steps to achieve them.

The South Sioux City School District has Career Academies in the following Career Clusters:

- Business, Marketing, and Management
- Skilled and Technical Sciences
- Health Sciences
- Human Sciences and Education

WHAT IS A CAREER ACADEMY?

A Career Academy is a sequence of credit-bearing academic and career technical courses which reflect a Career Cluster selected in response to local, regional or state employment needs and demand for expertise.

In a Career Academy, students explore and learn about a career field by taking sequenced courses, get experiences in the real world of work, and earn college credit while still in high school.

SOUTH SIOUX CITY HIGH SCHOOL

ALUMNI

As we embark on another school year, we hope to hear from and see our alumni (and parents of alumni). Please make sure we have your current information by visiting www.ssscardinals.org/alumnihistory/alumni-information and update us with your address, email, and phone number. With your contact information on file, we will be able to invite you to upcoming events and send you important updates.

The Cardinal Education Foundation is committed to keeping you connected to the South Sioux City Community School District and entire community. We plan events, assist with reunion plans, share milestones, and keep you updated on current happenings. Please keep us informed about college graduations, military and career paths, marriages, births and other highlights in your lives. We want to stay in touch with you and are always looking for stories to share.

To stay up-to-date with the latest in our alumni community, join the "SSChsAlumni" group on Facebook.

For more information, assistance with planning a reunion, or simply want to share school story, please contact my office at 402-494-2425.

Thank you,

SCHOOL APPS

Apps are actual applications downloaded and installed on a smartphone or mobile device to seamlessly connect and interact with the District. Parents, students and patrons can visit Apple's App Store or the Google Play Store to find and download the new app. The app will pull content and data from the district website, district calendars, and district social media accounts to be viewed in one central location.

PowerSchool App

The PowerSchool Parent Portal and Mobile App are great for parents! Download the App to get instant access to real-time grades, attendance, comments, assignments and scores directly from the teacher’s gradebook. PowerSchool District Mobile App Code is: NGND. Call the Power School Help Desk @ 402-412-2859 for help.

Students succeed when parents are involved!

Let's Talk App

South Sioux City Community Schools invites you to be part of the conversation. Let's Talk! is an open feedback form where anyone can submit questions, concerns, suggestions and compliments directly to district staff anytime, anywhere, from any device.

Share your ideas with us at any time by selecting your topic, or by clicking on Anything Else? The form can be found by clicking the icon along the right edge of the district website and, if you include your contact information, we will follow up with you in a timely fashion.

www.ssccardinals.org We look forward to hearing from you!

The Remind App

South Sioux City Community School District is rolling out a new app called Remind. If you're not already familiar with Remind, it is a an app that provides a safe way for teachers and coaches to send text messages. Basically it is a classroom communication tool that makes it easier to stay involved with your child's learning and other school activities. Remind is free to use, and you'll be able to get and send messages safely on any device—even a simple text from your phone!

First, a teacher/coach adds his/her class/team, which generates a unique code. The teacher then shares that code with students or parents. At that point, any student or parent who sends a text message with the code will be “subscribed” to the teacher's class. Any time a teacher sends a message from Remind, all students or parents subscribed will receive it. Using this method, no one knows each other's cell phone number; the teacher only sees a name in his/her sign-up list online, not phone numbers.

Kids today are very busy and they communicate primarily by texting. The purpose is to provide students with timely reminders of assignments or upcoming quizzes/tests/practices/game times as well as send them encouraging messages that hopefully motivate and uplift them. These messages typically travel one-way, from the teacher/coach to students and/or parents; you cannot respond to the entire group. Any responses will only go directly back to the teacher or coach that sent the original message, not the entire group. It is a safe and hopefully very effective way to communicate.

To sign up for these messages, you need download the Remind App and wait for your teacher/coach for the code.

We're excited to make connecting with our families more easier and engaging!

MENTAL HEALTH SERVICES AVAILABLE IN ALL SCHOOLS!

South Sioux City Community Schools is thrilled to now have mental health therapists in all buildings. We have partnered with Heartland Counseling to have four full time licensed mental health therapists in all school buildings. These therapists are employees of Heartland and work full time in our school. They are funded by grants and insurance. School-based mental health services allow us to provide services at no out-of-pocket cost to families. These services go beyond the direct delivery of mental health services. Therapists provide on-site consultation and training for school staff in the field of children's mental health. They establish and maintain links between educators, mental health professionals and human service resources, all of whom support the family and enhance the academic and functional development of children who need additional supports. These supports are available to all students. School staff and parents can make referrals if they see a need. Please reach out to your school counselor for additional information.

Notification of Rights Under FERPA and Release of Directory Information

The Family Educational Rights and Privacy Act of 1974 (FERPA) affords parents certain rights with respect to their minor children's education records:

1. The right to inspect and review the student's education records;
2. The right to request the amendment of the student's education records to ensure that they are not inaccurate, misleading or otherwise in violation of the student's privacy or other rights;
3. The right to file with the US Department of Education, a complaint concerning alleged failures by the South Sioux City Community School District's student records policy. You can obtain a copy of the policy from the principal's office in each school within the District.

The district procedure notifying parents is as follows:

The district may disclose directory information. The types of personally identifiable information that the district has designated as directory information are as follows: student's name, address, telephone listing, electronic mail address, photograph, date of and place of birth, major fields of study, dates of attendance, grade level, enrollment status (e.g., undergraduate or graduate, full-time or part-time), participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors and awards received, accomplishments that promote excellence not limited to NSCAS, ACT, Graduation and MAP achievement and scores and most recent previous educational agency or institution attended. A parent or eligible student has the right to refuse to let the district designate any or all of those types of information about the student as directory information.

A student, parent or guardian not wanting this information released must make an objection in writing to the principal by August 29, 2019. The information objected to shall not be released.

You need not respond to this letter unless you wish to make an objection to the release of any of the listed above. If you have any objections, please list the items and return by August 29, 2019 to the building principal.

4. The right to consent to disclosure of personally identifiable information contained in the student's education records, except to the extent that FERPA authorized disclosure without consent.
