Don Keenan Memorial
Math and Science Scholarship

The Don Keenan Memorial Math and Science Scholarship is awarded by the Keenan family in appreciation for their education in South Sioux City school system. The scholarship is awarded for educational assistance at any institution of learning beyond high school. The award will be spread over the school year and sent to the student's institution upon receipt of confirmation that the student is satisfactorily enrolled in a four year college or university for their freshman year.

Applicants must demonstrate the interest and ability to pursue an undergraduate degree in mathematics, science, engineering, or a medical field. It will be awarded to a member of the senior class of the South Sioux City High School, who will attend a four year degree-granting college or university. It is based on merit and need with consideration being given to the following:

Scholarship with emphasis on mathematics and science as demonstrated by school records and test scores (PSAT, SAT, ACT, and/or advanced placement)
A short essay
References
Financial need
Character, leadership, and activities

Application must be made through the high school guidance counselors by April 5th.
