Scholarship Application

The goal of the TeamMates Mentoring Program is for youth to graduate from high school and pursue post-secondary education. Qualified students will be eligible for a scholarship for the first year of their education. There is a limited amount of funding and there are no guarantees that a scholarship will be provided.

Qualification and details regarding the scholarship are as follows:

- All scholarship payments will be made directly to the educational institution.
- The applicant must have been active in the TeamMates program for a minimum of two years.
- The applicant must register and be accepted to any post-secondary institution.
- The application will be available in the high school guidance office and completed applications must be returned to the guidance office by April 2nd.
