Coaches Request: Coach Krajicek

He would like to make in his welding shop a pole volt training apparatus to keep outside will weigh over 700lbs- pending authorization thru Ed Akins thru the school insurance: booster club has agreed to pay up to \$450 in material to have this made

Krajicek also checked to see what one of these would cost online and it would be over \$4000 but most of the schools that he has been to for track etc.. their apparatus's are all home made..

Motion to approve: Trevor Knowles/Lyndsey Kriens

Ed Akins also brought to the booster club that they did hire a new head football coach from South Dakota 35yrs old and has an Elementary degree will be here Feb 20 and he will be ready to work and start the football season this summer!

Terry Comstock was available and just visited about how proud he is of his basketball team with only having 1 win out of 16 games so far. The group of guys work hard and play hard. He and his wife tried something new this year and took a group of basketball boys to Denver Co- had a blast!

Basketball Tournament: Booster Club- Trevor Knowles- Tournament Director

Feb 18 & 19 is the scheduled tournament

72 Teams are signed up – a full tournament bracket would be 80 Teams

8th grade girls only have 4 teams- so final game will be played divided up with 8th grade boys in the mini dome- at 4:10pm

No professional pictures will be done this year since only 4 kids used Sean last year

Swimming and soccer will be helping with middle school concessions and all the clean up

New business: We are looking for in the booster club 2 people to take over the Food Chairs who help prepare all the food for the tournaments etc...

Next Meeting: Sunday March 12 ,2017 6 pm meeting at Mi Familia—Social will be after the meeting

Adjourn: Trevor Knowles/Marty Hohenstein
