

January 3, 2018 Minutes.

Motion was made by Ed Akins and 2nd by Tammy Aitkens to approve the Minutes of Dec 6th meeting.

Treasurer's Report- None.

Membership Report: Will need to open store..

New Business:

Lance Swanson showed the club the posters made by Bobier studios. Should have all the athletes done soon to be out for the upcoming home games, Wrestling, boys/girls basketball, and hopefully swimming as well. Still need to get some athletes pictures taken.

Basketball Tourney update:

38 total teams registered. Having a difficult time getting the SSC local teams registered so thinking there will be more but plenty of spots open except for 8th grade boys...

Ed gave update on the sub district basketball championship game that may be at ssc that night. We will need to get final approval before brackets can be made as we may need to shut down the high school and practice gyms down by 4:00 to set up for the sub district game.

Booster Club will work the concession stand for the high school game as it would be to difficult to get our stuff out so the school has agreed the booster club could work concessions for the game. With that said we need to plan on more items to sell, more donated baked goods and more help. Bill Garvey Jr to check with football coach to see if he would be willing to help with this and have funds put into football account for the help.

Emails will need to be sent out numerous ones for baked goods..

Melissa will do the gate schedule, and court monitors, Jimmy to work G street both days.

SUPPORTING ALL SOUTH SIOUX CITY STUDENT ATHLETES

Mel Vanberkum spoke about the ref schedule:

Looks good have gotten feedback. One adjustment that will be made this year is we will pay certified officials 25 instead of 20. Ed has a list of all certified officials so it will be easy to know who is certified or not.

Already have commitments from officials who would like to work on tourney days. We will still give food coupons to officials who work more than 3 games so they can get a free drink/chip, hot dog or sandwich.

Breakfast will be provided again this year by the Rob Rapp family.

Normally games on Sundays start at 9:00 however with the possibility of no practice gyms or high school courts on Saturday afternoon we will more than likely need to start Sunday games this year at 8:00..

Next meeting is Feb 7th 7:00 in the high school library.

Meeting adjourned.
