Nothing new..

Coach : Silus Fluellen- head football coach

Talked about the football season and keeping the boys positive and keeping their heads up
Went from 40kids up to 75 football players- great turn out for football- there are kids talking about going out next yr that have never played football..

Brought up maybe pursuing a Turf Football Field- talked about that for a bit- Bill Garvey Sr was on this committee in the past so he talked about it for a bit

Getting new jerseys for next year

Need to go thru inventory and see what all he has and needs for football from knee pads to football jerseys to equipment needing replaced.

Weight training getting these #'s up for a better season!

Rob Borchers: getting our medals made for the booster club basketball tournament at a cheaper price..

Food Drive: Bill Garvey Jr

A can food drive at our homecoming football game to help with the Cardinal Baskets to feed the needy went over very well
