Coach speakers:

Lupe Gonzalez boy's soccer:

Disappointed with the last game last year- heartbreaking loss. Lost 17 seniors from a year ago. Very talented group coming in this year of 9<sup>th</sup> graders. Boys had a very busy summer played all over.

Lupe brought up the possibility of SSC hosting an indoor soccer tourney towards the end of 2019 and asked if the booster would help run it/concessions. Lupe was given the all clear and to get with Michelle and see what would work with the schedules and let the booster club know so we could plan. This would be an excellent way to help make up for lost revenue expected with the basketball tourney in coming years.

Coach Selk

New Girls Basketball Coach,

Came to introduce himself. Was told of what the booster club has done for basketball in the past. Was great to get introduced to him. Girls program has really high expectations.

Next meeting Sept 11, 2019 6:00 in the library.
